

# Take the Partner Test

What is the meaning of your bid?

(This DOES NOT replace your convention card)

1. Is  $2/1$  always game force?

2. What if there is interference?

3. What if one of you is a passed hand?

4. Does anything by opener  
guarantee extra values?

4a. 1H-P-2C-P-2S?

4b. 1H-P-2D-P-2NT?

4c. 1H-P-2D-P-3C-P-3S-P-4C?

5. 1D-P-2C-P, what are opener's follow-ups?

6. What is 1H-P-2C-P-3D? Is it a splinter or big D hand?

7. Does a rebid always promise 5 pieces?

8. What if they double a transfer?  
Pass=2card support, xx=3card  
support, max.

Accepting the transfer=3 or 4 card  
support with minimum  
(recommend)

9. 1S-P-4H? Does partner want to  
stop at 4H?

10. After a weak pre-empt-  
Bid-2NT is this still asking? Is X by  
responder penalty (recommend  
yes to both)?

11. Gambling 3 NT by opener-X, 4C, or 4D? Recommend X be a good hand, 4C=majors at least 5H, 4D=longer spades and 3 or more H.
